

# January Edition

Dear Parents and Students,

I hope you had a wonderful and refreshing break! As we step into Term 2, I am excited about the opportunities ahead for our students to learn, explore, and grow.

This term promises to be an engaging one, filled with academic challenges, co-curricular activities, and events that will inspire our

young learners. Our dedicated teachers are ready to support every child in achieving their best, and we encourage parents to stay actively involved in their child's learning journey.

A few key reminders as we begin this term:

- ✓ Punctuality & Attendance – Regular attendance is crucial for success. Please ensure your child arrives on time and attends school regularly.
- ✓ Healthy Routines – A good sleep schedule, nutritious meals, and active play contribute to a child's overall well-being and readiness to learn.
- ✓ Communication – Our doors are always open! Feel free to reach out to teachers or the school office with any questions or concerns.

Let's work together to make this term a fulfilling and memorable one for our students. Looking forward to a fantastic Term 2!

Warm regards,

*Ferun Azhar*

# Community Programmes

## Wall Of Kindness

We are delighted to inform you about a new initiative at our school:

The Wall of Kindness.

This initiative aims to instill the values of empathy, generosity, and social responsibility in our students while supporting the underprivileged in our community.

Students are encouraged to contribute items such as:

- o New or gently used clothing
- o Shoes
- o Bedding
- o Toys
- o Books

All contributions can be placed on the Wall of Kindness, located outside the school premises. These items will be shared with those in need, spreading warmth and kindness throughout our community.

Let's foster a spirit of giving among our students.

## Park Adoption

Our School Adopts a Park for Hands-On Learning

This project will provide our students with a hands-on experience in environmental care, gardening, and sustainability.

Students will actively participate in:

- Preparing the soil
- Planting seeds, herbs, and shrubs
- Nurturing and maintaining the greenery

This initiative aims to develop responsibility, teamwork, and a deeper appreciation for nature. We look forward to your support in making this a meaningful experience for our children!

# OPEN HOUSE ' 25

## STEM SPECTACLE

STEM SPECTACLE, our first open house, was a celebration of innovation, creativity, and the boundless potential of our students. The event was a showcase of STEM projects, the incredible work our students have accomplished through focusing on STEM education. From fun-filled activities to robotics wonders, STEM explorations, delicious food, and groovy music, the day was a celebration of innovation, creativity, and joy! Parents, students, and guests were captivated by the ingenuity on display, fostering a deeper appreciation for STEM learning. The event not only highlighted our students' achievements but also inspired future innovators to explore new possibilities.
