SOARSTEMSchools

Dear SOAR STEM
Schools Community,

Welcome to the inaugural edition of our newsletter, and what a special moment it is! As we step into the new year, we also celebrate a significant milestone - the 5th anniversary of our esteemed institution, SOAR STEM Schools, EME campus.

This moment fills me with immense joy and pride as we reflect on the journey we have undertaken together over the past five years. Our community has flourished, evolving into a vibrant hub of learning, innovation, and collaboration. From humble beginnings, we have grown and thrived, shaping the future of education and nurturing the next generation of innovators, thinkers, and leaders.

At DHA-EME Campus, our commitment to excellence remains steadfast. We continue to foster a culture of curiosity, exploration, and academic rigor, where every student is empowered to reach their full potential. Through our dedication to integrating science, technology, engineering, and mathematics with real-world applications, we equip our students with the skills and knowledge they need to succeed in an ever-changing world.

As we embark on this exciting journey together, let us take a moment to celebrate our achievements, learn from our experiences, and strengthen our bonds as a community united by a common vision. I encourage each of you to actively engage with our newsletter, sharing your stories, achievements, and ideas. Together, we will continue to soar to new heights, inspiring one another and making a positive impact in our community and beyond.

Here's to the next five years and beyond, filled with endless possibilities and opportunities for growth and success.

With warm regards,

Maleha Aftab

SOAR SPOTLIGHT

A RETROSPECTIVE

Plantation Drive

The Plantation Drive organized by students of DHA-EME campus showcased our commitment to environmental stewardship. With shovels in hand and determination in our hearts, students eagerly planted a variety of trees and shrubs across our school grounds and surrounding areas.

Through teamwork and dedication, we took meaningful steps towards a greener, healthier future for generations to come.

Cultural Day

The Cultural Day at EME campus was a vibrant celebration of the rich and diverse heritage of Pakistan. Colorful banners adorned with traditional motifs greeted attendees as they entered the festively decorated venue. The air was filled with the tantalizing aromas of spicy cuisine, including aromatic biryanis, succulent kebabs, and sweet delights. Students dressed in vibrant ethnic attire showcased their talents through lively dance performances, showcasing the energetic rhythms of traditional folk dances.

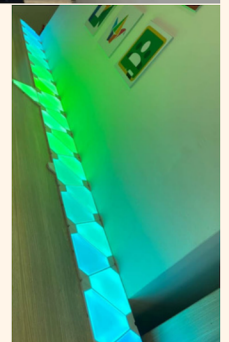

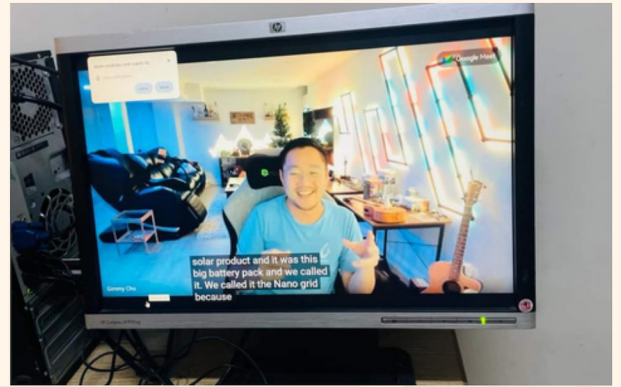

Intricately designed stalls displayed handicrafts, artwork, and cultural artifacts, offering a glimpse into the artistic traditions of Pakistan. Amidst the joyful sounds of music and laughter, attendees immersed themselves in the warmth and hospitality of Pakistani culture, forging bonds of friendship and understanding that transcended borders. It was a day of unity, pride, and appreciation for the rich tapestry of Pakistan's cultural heritage.

STEM Heroes Live Session

Gimmy Chu, CEO and Co- Founder of Nano-leaf joined SOAR STEM Schools for STEM Heroes Live session. It was a virtual series designed to ignite the passion for STEM fields in our students through encounters with celebrated individuals who are shaping our world. Students asked questions, gained insights and discovered the power of STEM to change the world.

IKLC

Competitions like IKLC serve as powerful motivators, Inspiring students to showcase their talents on a broader stage. These platforms empower enthusiasts and multi-talented individuals, Instilling confidence to face any challenge they encounter. With each contest, they rise taller, embodying resilience, Fueling their passion to excel and reach new heights.

Rayyan Rehman (2 Red), Aleezay Malik (8 Yellow), Fatima Saeed (6 Yellow), Minsa Umer (1 Yellow), Hassaan Rehman (1 Red), Hashim Tahir (1 Red), Zoya Asad (5 Yellow) won Bronze Medals in IKLC 2023

MIND CARVER

The creativity and imagination displayed by our students in Mind Carver Competition was amazing. Our campus got 2 Gold Medals, 3 Bronze Medals and 4 Silver Medals.

Ahmad Masood (2 Yellow) , Manahil Adeel (2 Red) , Nabeeha Nabeel (2 Yellow), Zenia Fatima (2 Red), Zakriya Faizan (KG), Zainab Shayan (2 Yellow), Rayyan Rehman (2 Red), Inaya Ejaz (Nursery), Umama Dar (2 Yellow)

BIFURCATION OF GRADE 8

The grade 8 bifurcation event provided students with valuable guidance and support to make informed decisions regarding their educational pathways, laying the foundation for their future academic and career endeavors.. The school established specific criteria for bifurcation based on various factors, including academic performance, aptitude tests, student interests, and parental consultations. These criteria aimed to ensure that students were placed in the curriculum best suited to their individual needs and capabilities.

FAREWELL 2024

As the academic year draws to a close, it's time to bid adieu to our beloved Grade 10M and 11C students at Soar STEM Schools. To commemorate this milestone, a series of heartfelt farewell event was organized, filled with joy, laughter, and fond memories

SHIRT SIGNING

The first event was a heartwarming shirt signing ceremony, where students exchanged messages of friendship and appreciation on each other's shirts. This tradition symbolized the bonds formed and cherished memories shared during their time together at Soar STEM Schools.

CAR PARADE

A vibrant car parade took place, showcasing the exuberance and unity of our students. Messages of congratulations paraded through the school grounds, spreading cheer and excitement to all who witnessed the spectacle.

LUNCH AT DAILY DELI

The festivities culminated in a delightful lunch at the renowned Daily Deli restaurant, where students indulged in delicious food and shared stories of their academic journey. Surrounded by friends, teachers, and mentors, they reflected on their accomplishments, celebrated their successes, and embraced the friendships forged along the way.

CRAZY HAIR DAY

Our students and staff came together to celebrate Crazy Hair Day, transforming our campus into a riot of color, creativity, and whimsy. From towering sculptures of rainbow-hued hair to braids adorned with glitter and googly eyes, each hairstyle was a testament to imagination unleashed. Laughter filled the halls as classmates marveled at each other's outrageous coiffures, turning the day into a whimsical celebration of individuality and fun.

But Crazy Hair Day wasn't just about fun and games – it also served as a reminder of the importance of embracing diversity and celebrating what makes each of us unique. As students proudly displayed their one-of-a-kind hairstyles, they reinforced the message that at Soar STEM Schools, individuality is not only accepted but celebrated.

The event served as a shining example of DHA- EME Campus's vibrant school spirit and commitment to fostering creativity and inclusion in everything we do.

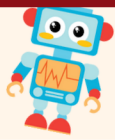

KEY ACTIVITY WEEK

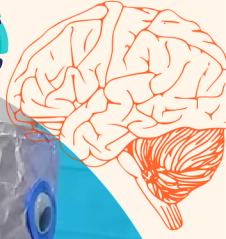

Activity Week was a whirlwind of excitement as students delved into themed days. Orange Day brought a burst of citrus joy, with students dressed in vibrant hues and squeezing oranges for juice. Show-and-Tell showcased cherished toys, fostering camaraderie. Storytelling sessions wove adventurous tales, captivating eager listeners. On Animal Wonder Day, classrooms buzzed with animal-themed activities, with students dressing up as their favorite animals. Curiosity ignited as they shared knowledge, fostering a deep appreciation for the diverse wonders of the animal kingdom.

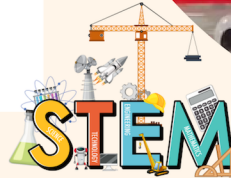

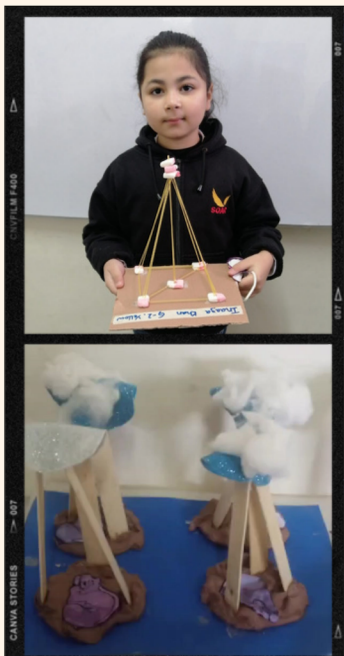

Robotics and STEM

At SOAR STEM DHA-EME campus, innovation and learning go hand in hand! Nestled amidst a picturesque setting, our school is a haven for young minds eager to explore, discover. Teaching robotics from kindergarten and incorporating STEM education from Playgroup until all grades we believe in nurturing young learners from the very beginning. That's why we're proud to offer a unique approach to education. In our robotics program our learners in kindergarten embark on an exciting journey into the world of technology and innovation.

Through hands-on activities and playful experiments, they develop critical thinking skills, problem-solving abilities, and a love for exploring how things work. Whether it's building simple machines with colourful blocks or programming robots to navigate obstacle courses, our students are empowered to unleash their creativity and embrace the wonders of technology.

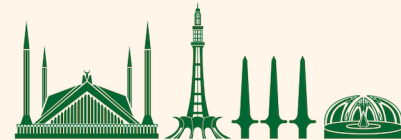

RAMADAN REFLECTIONS

During Ramadan, the DHA EME Campus was a place of reverence and reflection as students and staff observed the holy month. Together, we upheld the values of fasting, prayer, and charity, fostering a sense of unity and empathy within our school community. From dawn till dusk, we engaged in spiritual practices and took time for self-reflection, deepening our understanding of Islam's teachings. As we broke our fast at iftar gatherings within the school, the bonds of friendship and solidarity strengthened. Ramadan at DHA EME Campus was a time for growth, connection, and appreciation for the blessings bestowed upon us.

PATRIOTIC PRIDE: CELEBRATING PAKISTAN DAY

March 23rd, a day of pride and patriotism, was celebrated at DHA EME Campus with great fervor and enthusiasm. Students and staff came together to honor the founding of Pakistan, reflecting on the sacrifices of our forefathers. Through spirited speeches, flag hoisting, and patriotic performances, we reaffirmed our commitment to the ideals of unity, faith, and discipline. The campus resonated with the national anthem, echoing our collective allegiance to this great nation. It was a day filled with reverence and celebration, as we cherished the freedom and unity that define Pakistan

Easter Greetings

DHA EME Campus extended heartfelt wishes for a joyous Easter Holiday to our connections in the Christian Community and to all who celebrated this occasion. May that special time have been filled with love, peace, and blessings for you and your loved ones. Happy Easter from all of us at DHA EME Campus

WOMEN'S DAY

On Women's Day at the school, a special celebration was organized to honor and appreciate the women in the community. Inspirational speeches were delivered, highlighting the achievements and importance of women in society.

One-dish party was arranged, symbolizing unity and togetherness. Each person brought a dish to share, creating a diverse and delicious spread of food. The atmosphere was filled with warmth and camaraderie as everyone enjoyed the culinary delights.

A highlight of the celebration was the cutting of a beautiful cake adorned with vibrant colors. Overall, the Women's Day celebration at the school was a meaningful and uplifting event, emphasizing the importance of valuing and honoring women in all aspects of life. It served as a reminder to continue advocating for gender equality and recognizing the incredible contributions of women in our society.
