

THE LEARNING LEDGER

Ring Road Campus

Principal's Message

Dear SOAR STEM Community,

As we celebrate our STEM School's remarkable journey on anniversary, I am filled with gratitude for our dedicated faculty, passionate students, and encouraging parents. In just five years, we have cultivated a dynamic learning environment where innovation thrives and curiosity is nurtured. Together, we have embraced the challenges of STEM education and empowered our students to become tomorrow's leaders and innovators. Let us continue to inspire, explore, and discover as we embark on the next phase of our journey towards excellence.

Warm regards,
Naveed Asif

Nursery Assembly

Our adorable Nursery stars take the stage for a delightful morning assembly on "Transport", showcasing different form of transport and traffic rules with enthusiasm.

Happy Routines

- Don't skip breakfast; it gives you energy for the day ahead.
- Attend school regularly.
- Try to fit in some physical activity every day to keep your body and mind in good shape.
- Plan out what you need to accomplish each day so you can stay on track.
- Balance your studies with socializing and exploring new things.
- Try to go to bed around the same time every night to be ready for the next day.

You'll never change your life until you change something you do daily. The secret to your success is found in your daily routine."

-John C Maxwell

Little Champions Field Day

Our little champs from Playgroup to Grade 1 showcased their sports spirit with PT displays, aerobics, and many other games.

STEM Olympiad 2024

Grade 1-6 students illuminated the STEM Olympiad 2024 with their exceptional talent and collaborative spirit, working together to showcase their STEM experiments as a team.

Futurepreneur Market

Our recent Futurepreneur Market at SOARSTEMSCHOOLS Ringroad campus!

Step into a world of innovation as we showcase the remarkable science, arts, and robotics projects crafted by our talented students. Explore how STEM education is nurturing the minds of tomorrow and sparking creativity in our society.

Cultural Day Celebration

Cultural Day celebrations at SOAR STEM School (Ring Road Campus) were a vibrant display of human diversity. Students, dressed in colorful cultural attire, shared their rich history, heritage, languages, cuisines, customs, traditions, and artistic expressions. Through traditional songs and delectable dishes, they celebrated the beauty of human culture, fostering understanding and unity among peers.

In-house Matches

From Grade 2 to 8, our school organized in-house sports matches where students actively participated in various games. Al-Khwarizmi emerged victorious in the match, while Al-Jazari, Ibn al-Haytham, and Al-Farabi claimed the runner-up positions.

Bookfair

SOAR STEM School recently held a wonderful bookfair! It was an amazing opportunity for our students to dive into new worlds of knowledge and enhance their reading skills.

Ramadan Celebration

During Ramadan, Our school community came together to observe and celebrate the Holy month with acts of kindness, charity and spiritual reflection, fostering a sense of unity and compassion.
