INSPIRE
GROW

As we begin Term 2, I extend my heartfelt wishes to each and every one of you for a successful and fulfilling term ahead. This term is brimming with exciting opportunities for you to engage in STEM learning and innovation, where you can explore, experiment, and push the boundaries of your knowledge and skills. Remember, perseverance and dedication are key to unlocking your full potential and achieving your goals. Let's approach this term with focus, positivity, and a spirit of collaboration. Your teachers and I have full confidence in your abilities, and we are eager to witness your growth and success. Let's make Term 2 a truly remarkable and unforgettable journey together!

Sincerely,
Shehla Shahid
Principal

WINTER FEST

OPEN DAY

01/14

JANUARY EDIT 2025

Community Heroes from Nursery

The Nursery's unit closing on community helpers was a hands-on learning experience that allowed the children to explore and understand the various roles within their community. Through interactive activities and role-playing exercises, the children gained a deeper appreciation for the contributions of different community helpers.

Playgroup learners exploring emotions

The Playgroup's unit closing on feelings and emotions was a transformative experience for the children, as they engaged in hands-on learning activities that allowed them to explore and understand a wide range of emotions. Through interactive play and guided discussions, the children learned to identify and express their feelings in a safe and supportive environment.

Kindergarten Unit Closing on the theme "Transport"

The Kindergarten unit closing on the theme of transport was an engaging and educational experience for the children. Through hands-on activities and discussions, they learned about different modes of transportation, their functions, and importance in our daily lives. The children gained a deeper understanding of how people and goods move from one place to another, fostering curiosity and appreciation for the world around them.

End of Term Party

The vibrant end-of-term class party was a joyous celebration filled with laughter, games, and food. Students enjoyed delicious treats, music, and fun activities that brought everyone together. The party provided a well-deserved break from academic rigors and allowed everyone to unwind and bond before the term ended. It was a memorable and uplifting way to conclude the term on a high note.

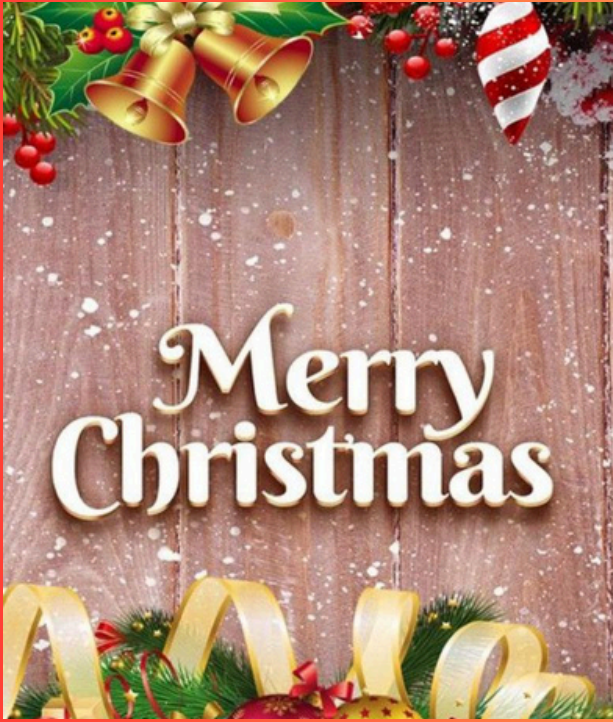

Grade 1 Bake Sale Integrated with the topic “Money”

The Grade 1 students' successful bake sale was a testament to their hard work and creativity. By integrating the topic of money into the event, they not only learned practical skills but also raised a handsome amount for a good cause. Through baking, selling, and handling transactions, the students gained valuable real-world experience. The bake sale was a rewarding and educational endeavor that showcased the students' initiative and teamwork.

Christmas Celebration at RRC

The celebration of Christmas brought the school community together in a spirit of joy and unity. Teachers, and staff joined in through shared traditions and acts of kindness, the school community bonded and spread cheer to all. The Christmas celebration served as a heartwarming reminder of the strength and togetherness within the school community.

HRCA Winners for English and Science

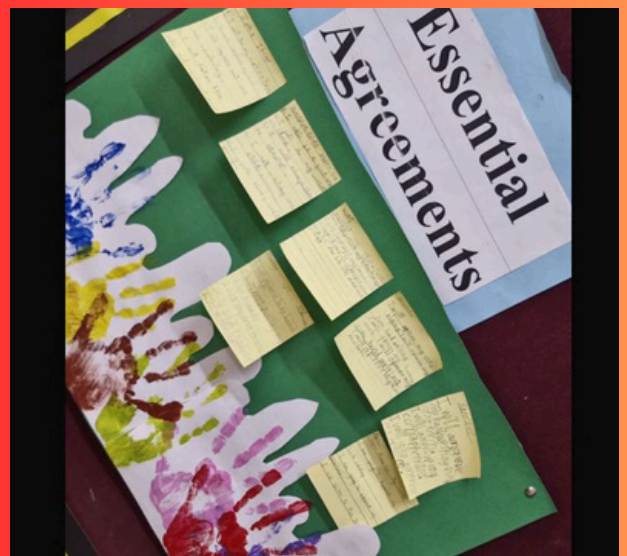

The HRCA winners exemplified excellence and talent in their respective subjects, showcasing dedication and hard work. Their achievements not only reflected their individual skills but also inspired others within the community. The HRCA winners set a high standard for success and served as role models for aspiring individuals. Their recognition highlighted the importance of perseverance and commitment in reaching one's goals.

Welcome Back to School

The students were filled with excitement as they returned to school, eager to reconnect with friends and dive into new learning adventures. They began their day by reaffirming essential agreements, setting a positive tone for the term ahead. Engaging in fun activities and team-building exercises, the students fostered a sense of community and collaboration right from the start. The enthusiasm and energy of the students set a vibrant and dynamic tone for the school year.

WINTER FEST 2025

The successful Winter Fest at Ring Road campus was a delightful event filled with a variety of activities. Students enjoyed delicious food, engaging games, lively singing performances, and entertaining stand-up comedy acts. The highlight of the evening was the cozy bonfire where everyone gathered to share stories and laughter. The Winter Fest brought warmth and cheer to the campus community, creating lasting memories for all who attended.

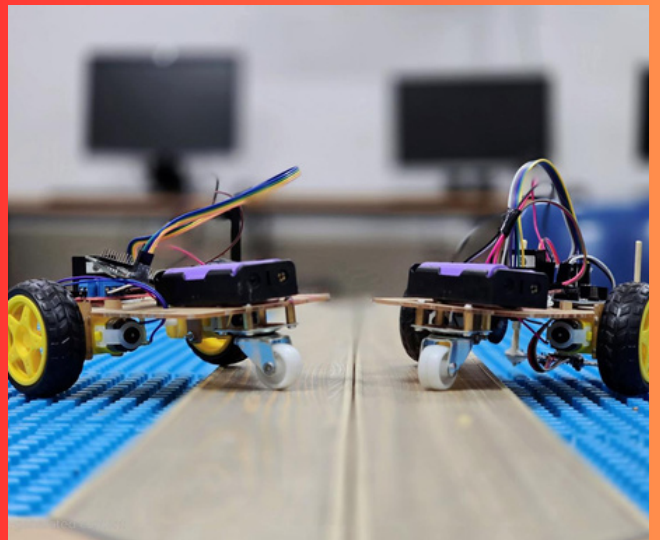

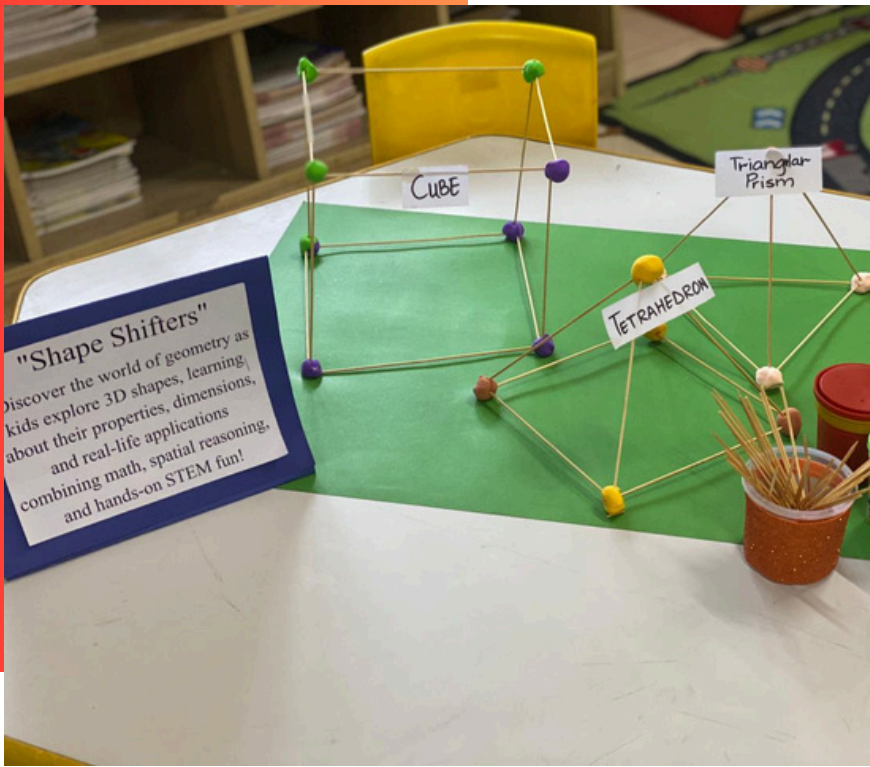

OPEN DAY 2025

STEMtastic Carnival

The STEMtastic carnival was a spectacular showcase of student innovation and creativity, where students presented a wide range of STEM activities, experiments, and hands-on learning experiences. From robotics demonstrations to interactive science experiments, the carnival was a hub of excitement and discovery. Students engaged in collaborative projects, problem-solving, and STEM challenges that highlighted their skills and passion for STEM fields. It was a truly inspiring and educational experience for all who attended.
