MESSAGE FROM PRINCIPAL

Dear Parents and Guardians,

As the month of May unfolds, we find ourselves experiencing a noticeable shift in the weather. The days are becoming warmer, and we must all be mindful of the increasing heat. I urge everyone to take necessary precautions to stay healthy and hydrated. Please ensure you drink plenty of water, wear light and loose-fitting clothing, and avoid prolonged exposure to direct sunlight, especially during peak hours. Our health and well-being are paramount.

This month also marks a critical juncture in the academic calendar as we approach the final examinations. I encourage all our students to dedicate themselves to focused study and diligent preparation. This is the culmination of your hard work throughout the academic year, and I have full confidence in your ability to succeed. Remember to prioritize your well-being during this period; adequate rest and a healthy diet are just as important as your study schedule.

To our parents, your continued encouragement and support play a vital role in our students' success. Please continue to partner with us in ensuring a conducive learning environment at home.

Let us work together to ensure a healthy and successful conclusion to the academic year.

**Warm Regards,
Shehla Shahid
School Head,
RING ROAD CAMPUS**

EID JOY SHARED AT SCHOOL

The spirit of togetherness and celebration filled the air as our school community recently came together for a heartwarming Eid Milan party.

Following the joyous occasion of Eid-ul-Fitr, it was a wonderful opportunity for students, teachers, and staff to connect, share festive cheer, and strengthen the bonds that make our school so special.

The event was marked by vibrant decorations, delicious traditional treats, and an atmosphere of warmth and camaraderie. Laughter and joyful conversations echoed throughout as everyone embraced the spirit of unity and brotherhood that Eid embodies.

SPEAKING WITH POWER: OUR DECLAMATION STARS

Our Declamation Contest recently celebrated the fine art of public speaking. Participants demonstrated remarkable skill in crafting their delivery, using voice modulation, pacing, and gestures to bring their chosen speeches to life. It was truly inspiring to witness the dedication to mastering this powerful form of communication. The audience was treated to a diverse range of compelling performances, each showcasing a unique interpretation of powerful words. The judges carefully considered each speaker's ability to connect with the audience and convey the message with clarity and impact. Congratulations to all the participants for their impressive display of oratory talent!

FUN-TASTIC DAY AT FUNATION

Our students from grades 5 through 8 recently embarked on an exciting adventure to Funation! The air buzzed with anticipation as they explored the playland, diving into a world of games, laughter, and shared experiences. It was a fantastic opportunity for students across different grades to bond, create lasting memories, and simply enjoy a day filled with fun and energy outside the classroom.

ADVENTURE AND FUN: TRIP TO SINDBAD

THRILLS, GIGGLES AND UNFORGETTABLE MOMENTS FOR OUR LITTLE ONES

THE MAGIC BEHIND THE MILESTONE

GRADUATION PRACTICE

RAINBOW DAY

Our Early Years classrooms transformed into a vibrant spectrum of joy as we celebrated Rainbow Day! The air buzzed with excitement as our little ones arrived dressed in every color imaginable, creating a dazzling display that truly brightened the school. Throughout the day, they engaged in rainbow-themed activities, from creating colorful artwork and exploring the science behind rainbows to enjoying rainbow snacks. It was a beautiful day filled with laughter, learning, and the pure magic of colors, leaving everyone with hearts as bright as a seven-hued arc.

STAYING INFORMED: OUR WEATHER PREPAREDNESS PLAN

- **Hydration is Key:** Encourage students and staff to drink plenty of water throughout the day, even if they don't feel thirsty. Remind them to bring water bottles to school and refill them regularly. Water stations will be readily available.
- **Limit Outdoor Activities:** During peak heat hours (typically midday to late afternoon), strenuous outdoor activities will be minimized or moved indoors. Physical education classes and outdoor playtimes will be adjusted accordingly.
- **Seek Shade:** Encourage everyone to seek shade whenever possible when outdoors. Utilize shaded areas during breaks and while waiting for transportation.
- **Recognize Heat-Related Illnesses:** Educate students and staff on the signs and symptoms of heatstroke and heat exhaustion (e.g., headache, dizziness, nausea, excessive sweating or lack thereof). Emphasize the importance of reporting any such symptoms immediately to a teacher or staff member.
- **Classroom Environment:** We will ensure classrooms are well-ventilated and fans are in operation. Where available and necessary, air conditioning will be utilized to maintain a comfortable learning environment.
- **Stay Updated:** We will continue to monitor weather forecasts and provide updates as needed through announcements. Please stay informed of any changes to schedules or activities due to the heat.
